

FOUR GROUPS, FIVE DIFFERENT SIZES OF EACH SPECIE.
ORDER THE SIZE AND PRICE YOU WANT.

2

English Ivy

A vigorous grower. Rich dark green leaves.

1955 PRICE LIST WHOLESALE ONLY

Member California Cactus Growers Assn.

These prices are for rewholesaling.

Satisfaction is assured because sizes are specified by inch measurements.

Future orders for June shipment or later is especially solicited; confirmation on these will be sent.

3

Hahn's Self-branching Ivy

Small yellow green leaves. Numerous small runners make a lacy mass of beautiful foliage.

We will not substitute on Wholesalers' orders either in specie or size. We will write by Air Mail for confirmation as to the nearest we have, before we ship.

1

Variegated Ivy

Large leafed ivy with yellow and green spotted leaves and purple stems.

You may order by list number and size letter only, in which case your order will look something like this:

| | | |
|---------|------|----------------|
| 1500—1A | or { | 500 of each of |
| 200—6C | | 1A, 30B, 32A |
| 100—30B | | 34B, 41B, 63C |
| 100—30A | | |
| 50—32AA | | |

4

Boxwood

A tiny leafed shrub. Woody stem. Glossy foliage. Very decorative as a pot plant and a hardy grower.

URC are unrooted cuttings, C are small rooted cuttings, B, A and AA sizes are rooted plants.

FOLIAGE PLANTS

| | URC | C-2" POT | B-2¼" POT | A-2½" POT | AA-3" POT |
